Signature of Owner or Officer of Corporation/Partner

The Professional Logger's Permit you are applying for allows loggers to purchase equipment used in logging operations and parts and repairs to such equipment at a reduced 1½% rate of sales tax. A representative of the company applying for the permit must have completed the Logger Education Program and any required continuing education to qualify for the Professional Logger's Permit. The Logger Education Program is administered by Mississippi State University. For additional information, please contact the Logger Education Program at 662-325-6852.
